### **POLICE INVESTIGATE DEATH IN FAIRMONT VILLAGE**

San Diego Police Department Homicide Unit detectives are investigating the circumstances surrounding the death of a male inside a home in the 3700 block of Euclid Avenue.

On Tuesday, September 21, 2010, at approximately 6:20 p.m., the body of 59 year old Dinh Nguyen was discovered in his home by friends checking his welfare after he failed to show up at a pre-arranged meeting.

During the preliminary death investigation, it was thought the death was of natural causes. Upon closer investigation by the San Diego Police homicide detectives and personnel from the medical examiner's office, unexplained trauma to Nguyen's body was discovered, making the death suspicious.

An autopsy is scheduled for this morning to determine the cause of death.

Additional details will be released when they are known.
